All applications for BASS junior membership must be supported by a copy of this parental/legal guardian consent form, with **DECLARATION (A)** completed. **DECLARATION (B)** need only be completed if the junior member is seeking membership of the BASS members forum.

If, as a parent/legal guardian, you have any concerns about forum membership it is possible for you to be given temporary access to the forum for 7 days, so you can judge for yourself. This can be arranged after the BASS membership secretary has received and processed the BASS junior membership application, supported by the parental/legal guardian consent form with **DECLARATION (A)** duly completed & signed. Please indicate your wish for this to be arranged when the application form and parental/legal guardian consent form are submitted. If you are satisfied, then a copy of the consent form, with **DECLARATION (B)**, will have to be completed and submitted to the BASS membership secretary, before the junior member can be registered for forum membership.
